Made for iPod

Works with iPhone

Highlights

Mini-USB sync and charge cable
The mini-USB cable provided connects to a USB charging unit - like your computer or a USB wall or car charger. When connected to your computer, the cable allows you to sync your iPhone or iPod with iTunes.

Pocket-sized USB dock
The small, pocket-sized dock connects via USB to your laptop or a USB wall adapter so you can conveniently charge your device when you're at home or on the go.

Unique three-sided design
The unique three-sided design lets you dock your device upright or on its side for hands-free video viewing. Connect via USB to charge your device while docked.
